

**OXYLISIOUS**

FLOOD YOUR BODY WITH OXYGEN

# OZONE THERAPY BENEFITS

In various clinics around the world, Ozone Therapy has been first form of treatment for patients regardless of their ailments since WW1. Ozone addresses the key issues in almost all disease conditions: Oxygen delivery, circulation and immune system function

## IMPROVES

- Blood circulation
- Mineral absorption
- Amino acid utilisation
- Brain function
- Heart function

## DETOXIFIES

- Detoxifies the lymph system
- Detoxifies every cell in the body

## CLEARs

- Mucos
- Brain fog
- Breaks down cellulite
- Builds & tones muscle
- Burns off excess sugar
- Blood purifier

## OXIDIZES

- Poisons in the body
- Morbific Materials

# START A FRANCHISE

Whether you are looking to open an Oxylishious branch or expand on your current service offerings, we have a variety of products and packages to suite your business needs.

of valuable information,  
so if you find it useful or  
interesting spread the word and  
help others who may need to see  
where their inner health stands.**

# WELLNESS EVALUATION

## BODY FAT ANALYSIS

**EVERYBODY NEEDS BODY FAT** IN ORDER TO BE HEALTHY, IT HAS VITAL FUNCTIONS SUCH AS STORING VITAMINS, REGULATING BODY TEMPERATURE AND CUSHIONING JOINTS.

**TOO MUCH BODY FAT** CAN DAMAGE YOUR HEALTH, THEREFORE REDUCING EXCESS BODY FAT CAN REDUCE YOUR RISK OF HEART DISEASE, DIABETES, CANCERS AND HIGH BLOOD PRESSURE.

**THIS IS A PERCENTAGE OF HOW MUCH OF YOUR BODY WEIGHT IS FAT**

### BODY FAT %

	AGE	UNDERFAT	HEALTHY	OVERFAT	OBESE
♀	18-39	< 21%	21% - 33%	33% - 39%	> 39%
	40-59	< 23%	23% - 34%	34% - 40%	> 40%
	60-99	< 24%	24% - 36%	36% - 42%	> 42%
♂	18-39	< 8%	8% - 20%	20% - 25%	> 25%
	40-59	< 11%	11% - 22%	22% - 28%	> 28%
	60-99	< 13%	13% - 25%	25% - 30%	> 30%

### BMI RANGE

# WELLNESS EVALUATION

## MUSCLE MASS ANALYSIS

AFTER THE AGE OF **20**, THE AVERAGE PERSONS METABOLISM DECLINES AT A **RATE OF 5% PER DECADE** DUE TO MUSCLE MASS LOSS.

**LOSING MUSCLE MASS CAN LEAD TO WEIGHT GAIN** UNLESS WE ADJUST OUR **CALORIE INTAKE** OR TAKE STEPS TO MAINTAIN OUR LEAN MUSCLE MASS.

### BMR / RMR

BASAL METABOLIC RATE:  
IF YOU WERE IN BED ALL DAY THIS IS THE NUMBER OF CALORIES / KJ IT WOULD TAKE TO KEEP YOU ALIVE.

	AGE	MIN LMM %
♀	18-39	> 64%
	40-59	> 63%
	60-99	> 61%
♂	18-39	> 76%
	40-59	> 74%
	60-99	> 71%

**FAT STORES**

**MUSCLE BURNS**

# WELLNESS EVALUATION

## VISCERAL FAT ANALYSIS

THIS IS THE FAT IN THE ABDOMINAL CAVITY, IT **SURROUNDS THE VITAL ORGANS.**

EVEN IF YOUR WEIGHT SEEMS NORMAL, YOU MIGHT BE CARRYING AROUND **HARMFUL** VISCERAL FAT.

ENSURING YOU HAVE THE RIGHT AMOUNT OF VISCERAL FAT **REDUCES THE RISK OF CERTAIN CONDITIONS SUCH AS HEART DISEASE, HIGH BLOOD PRESSURE AND MAY DELAY THE ONSET OF TYPE 2 DIABETES.**

A RATING **ABOVE 12** INDICATES YOU HAVE AN **EXCESS** LEVEL OF VISCERAL FAT AND MAY NEED TO MAKE URGENT CHANGES!

### YOUR VISCERAL FAT RATING

### YOUR RATING

1-4	EXCELLENT
5-8	GOOD
9-12	HIGH
>13	ALARMING

Healthy

Unhealthy  
(Visceral Fat)

# WELLNESS EVALUATION

## BONE MASS ANALYSIS

IF YOU HAVE **EXCESS VISCERAL FAT**:  
VISCERAL FAT WILL ABSORB CALCIUM  
AND MINERALS FROM YOUR BONES.  
THIS CAN AND WILL WEAKEN YOUR  
BONE STRUCTURE

WITHOUT EXERCISE AND A  
GOOD DIET, OVER TIME,  
YOU WILL LOSE BONE MASS  
THAT CAN POTENTIALLY LEAD TO  
**OSTEOPOROSIS**.

IF YOUR BONES ARE LIGHTER, WE  
MAY RECOMMEND TAKING A  
CALCIUM SUPPLEMENT IN ADDITION  
TO YOUR DIET AND EXERCISE  
REGIMEN.

	WEIGHT (KG)	BONE MASS (KG)
♀	< 50	1.95
	50 - 75	2.40
	> 75	2.95
♂	< 65	2.66
	65 - 95	3.29
	> 95	3.69

HEALTHY BONE

OSTEOPOROTIC BONE

# WELLNESS EVALUATION

## WATER ANALYSIS

### DID YOU KNOW?

IF YOU ARE **FEELING THIRSTY**,  
YOU ARE ALREADY **DEHYDRATED**.

A PERSON SHOULD HAVE APPROX.  
**35ML OF WATER PER 1KG OF  
BODY WEIGHT**.

**MEN** SHOULD DRINK NO LESS THAN  
2.5L OF WATER AND **WOMAN**  
2L DAILY.

IF YOU EXERCISE YOU WILL REQUIRE  
MORE WATER.

WATER HELPS **REGULATE YOUR  
BODY TEMPERATURE**, AND  
**TRANSPORTS NUTRIENTS** TO BODY  
CELLS.

### YOUR HYDRATION LEVEL

%

# WELLNESS EVALUATION

## METABOLIC AGE ANALYSIS

WHEN SOMEONE HAS A METABOLIC AGE **HIGHER** THAN THEIR REAL AGE THIS COULD BE LINKED TO WATER AND FIBRE.

ARE YOU DRINKING ENOUGH WATER?  
ARE YOU EATING ENOUGH FIBRE?

**FIBRE AND PROTEIN** TAKE A WHILE FOR YOUR BODY TO BREAK DOWN; THIS BURNS MORE CALORIES AND STIMULATES YOUR METABOLISM.

**INCREASING YOUR MUSCLE MASS AND DECREASING YOUR BODY FAT %** WILL ALSO LEAD TO A **REDUCTION** IN YOUR **METABOLIC AGE.**

## YOUR METABOLIC AGE

**YOU WANT YOUR METABOLIC AGE TO BE LOWER THAN YOUR ACTUAL AGE.**

**A SLOW METABOLIC AGE CAN LEAD TO INFLAMMATION, DIABETES, HEART DISEASE AND OTHER METABOLIC DISEASES.**

*WE HAVE A CHOICE.*

WAIT FOR ILLNESS

OR

BEGIN LIVING WELL!

THESE TWO LADIES ARE THE SAME AGE

# WELLNESS EVALUATION

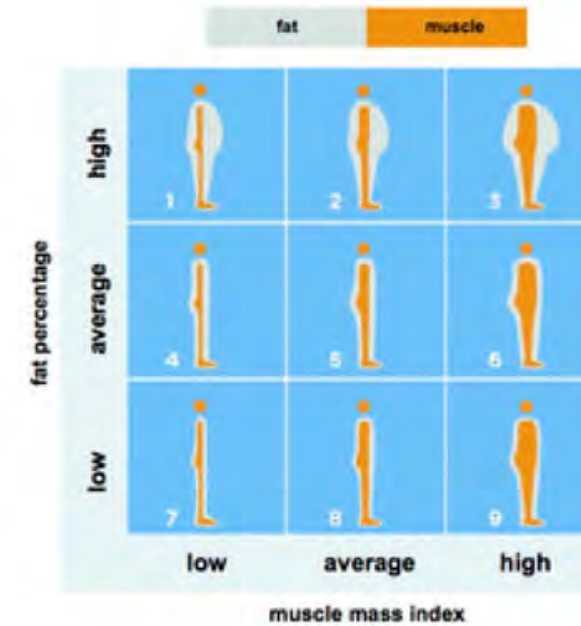

## PHYSIQUE ANALYSIS

1 - 9

ASSESSES MUSCLE AND BODY FAT LEVELS. IT RATES THE RESULT AS ONE OF NINE BODY TYPES.

THIS WILL GIVE YOU A CLEAR UNDERSTANDING OF WHAT BODY TYPE YOU HAVE, MUCH MORE ACCURATELY THAN BMI CAN.

THIS ALLOWS YOU TO TRACK YOUR HEALTH WHEN YOU MAKE POSITIVE CHANGES TO YOUR LIFESTYLE.

1. **HIGH FAT / LOW MUSCLE** - Serious health problems may arise.
2. **HIGH FAT / STANDARD MUSCLE** - Be careful.
3. **HIGH FAT / HIGH MUSCLE** - Solidly-built: even though you are big on the outside, you actually have a lot of muscle mass underneath.
4. **AVERAGE BODY FAT / LOW MUSCLE** - Exercise more.
5. **STANDARD / EQUAL**
6. **AVERAGE FAT / HIGH MUSCLE** - Healthy, and you should be proud!
7. **LOW FAT / LOW MUSCLE** - Thin: being too thin can also lead to health problems!
8. **LOW FAT / STANDARD MUSCLE** - Thin and Muscular: a bikini body!
9. **VERY MUSCULAR - LOW FAT / HIGH MUSCLE** - Are you a body builder?

# ***WOUND CARE***

# ***AS HOLISTIC HEALERS***

## **We do not:**

- Claim to cure
- Prescribe medication
- Diagnose disease

# ***TESTIMONIALS***

**Results do not lie.**

**We will be sharing some amazing wound healing testimonials in the next few slides.**

**Warning\* images are graphic and show to extent at which wounds can progress too.**

---

# ***ANDREW***

Was only 24 when he went through the windscreen of his car in a motor-vehicle accident and landed in gravel. The wound was not irrigated properly and the young man was left with gravel in the wound.

Andrew got a super bug infection, MRSA. Within 24 hours the stitches had split and within 72 hours there was a gaping wound.

---

**MELANY**

Had a hysterectomy that got severely infected.

---

# ***ANGELIQUE***

Got a blister on her ankle  
but her blister skin ripped  
off same time and got  
infected.

---

# ***ANGIE***

A bunion developed on my right foot and would get extremely painful at times. Ozone reduced the inflammation and relieved the pain.

Before

AFTER 20 minutes - Limb Bagging

---

# **NEIL**

Neil went in for an operation to have cellulitis removed in 2018 and the wound never healed. Eventually in August 2021, we started with ozone therapy and the wound is almost completely healed.

---

# ***SHAMEEMA'S SON***

A mother's love knows no bounds, and Shameema's ingenious use of limb bagging stands as a testament to that. Watch as her care and resourcefulness transform her son's burn wound from tea into a story of healing.

***BEFORE***

***AFTER***

---

# ***SHARÓN'S PET***

Before: Sharón's pet had an injured paw, causing discomfort.

After: Look at the paw now! Through the application of Ozone Gel, the healing process was accelerated, reducing inflammation and promoting faster recovery.

***BEFORE***

***AFTER***

---

## ***DEE'S CLIENT***

his client went through a traumatic incident when struck by a scooter while walking, ultimately requiring an amputation of her foot. Dee has been doing remarkable work in assisting her on the path to recovery and healing her amputated foot through limb-bagging

# ***BEFORE***

# ***AFTER***

---

# ***OZONE THERAPY FOR ACNE***

Ozone therapy has been explored as a treatment for acne due to its reported antibacterial, anti-inflammatory, and oxygenating properties. Here's how ozone therapy may help with acne.

# ***OZONE THERAPY FOR PSORIASIS***

Ozone therapy is considered a potential treatment for psoriasis, a chronic skin condition. It may benefit individuals with psoriasis by reducing inflammation, modulating the immune system, improving blood circulation, and addressing symptoms such as itching.

Power  
of Oxygen!

**OXYLISIOUS**

FLOOD YOUR BODY WITH OXYGEN

## Detox COLOUR CHART

The colours on this chart are guidelines to the speckled or solid colouring you may see on the towel

**OZONE** easily enters your bloodstream during an **ozone steam therapy** session, enabling your congested tissues and organs to clear waste, toxic stores, viruses, bacteria, yeast, moulds, fungal and parasites. These 'wastes' leaves the body through the colon, lungs, kidneys and skin. Often this detox discolours the towel and gives an indication of where the weakened sick cells have been cleared in the body. Sometimes, the toxic overloaded body needs to gain energy during a few sessions to facilitate detoxification, leaving the towel clear. A few **ozone steam** sessions taken every other day will encourage the detoxification.

### THE ULTIMATE CAUSE OF ALL DISEASE AND IMBALANCE IN THE BODY IS LACK OF SUFFICIENT OXYGEN.

**Ozone steam therapy** starts a process of decongesting and rebalancing the body which will continue for about 3 days after your session. **Ozone** will actively penetrate your blood for about 2 hours after your session, therefore you should not wash your skin for those 2 hours. You are squeaky clean!

Light to moderate exercise, sunlight, lots of water and fresh food will take the stress off your body as you go through the detox period. Dealing with emotions and managing stress will support the immune system during this time. Head-ache, stiffness, nausea, thirst and feeling tired and agitated are all symptoms of detoxification and in time will pass.

Improves collagen fibre function; boosts blood oxygen - ideal for stretch marks and cellulite; detoxifies & oxygenates: anti-ageing benefits: boosted antioxidant defences. Ultrasonic Cavitation / PEMF included.

## OXYLISIOUS PRODUCT PRICE LIST

### **OXY CREAM(50G):**

Pure Virgin Olive Oil, Ozone Gas
